Wednesday November 25, 2020 Day 4

Just a reminder that **students do not attend school** at PHS on **Thursday, Nov. 26th and Friday, Nov. 27th.**

Thursday, November 26th is reserved as a day when parents/guardians can book 'virtual' meetings (online or by telephone) with teachers. Parents/guardians should contact teachers directly to book these appointments (email list for teachers is attached).
You may also call the school at 819-647-2244 and ask the teacher to contact you to book the appointment.

USE OF PHS LOCKERS:

We've been granted permission to use our new PHS lockers for students to store their clothing and belongings – yay! However, due to COVID restrictions, there are some rules:

- Every student **must use a lock on his/her locker** to secure the contents. This is part of the PHS Code of Conduct and is not new.
  - If a student does not have a lock, he/she may purchase one from the Office or even just borrow one for the year from the Office.
- Every student must **only use the locker he/she has been assigned** – there is no 'trading' of lockers with other students. If there is an issue with the locker assigned, please speak with Administration. This is not new.
- ***Due to COVID restrictions, students are NOT allowed to go to lockers between classes. They are also not allowed to hang out in the halls or at the lockers to socialize, like they would normally do.***
  - Students may go to their lockers upon entering the school first thing in the morning to put away coats, boots, etc… and **pick up all their books for that day (all 4 periods). Those books will be taken to their regular classroom where they will be stored there for the day.** Any books not being used that day can be stored in the lockers which will help with the amount of materials in the classrooms and make them less crowded.
  - If students are leaving the building **at lunch hour**, they may retrieve their coat, boots, etc… and then return them to the lockers once they come back in to the school. Students may not hang out at the lockers at lunch hour or breaks.
  - At the end of the day, **teachers will bring students down** to the lockers during the assigned washroom times **(Gr. 7- 2:45, Gr. 8- 2:50, Gr. 9-2:55, Gr. 10- 3:00)** to use the washroom and retrieve their belongings for home. They will then return to the classrooms to wait for the final bell. This staggered retrieval of belongings from lockers (supervised by teachers) will help to ensure that students are not inter-mingling in the halls at the lockers.
- It is our hope that with the arrival of Winter, using the lockers will make it easier for students and teachers in the classrooms.

PLEASE PICK UP YOUR LOST & FOUND ITEMS LOCATED OUTSIDE Room 227
