ALL SKIERS

- Always ski with a buddy. The only exception is the Magic Carpet.
- Always ski with a helmet.
- Ski within your ability. If you are not ready for a difficult trail, do not attempt it. Don't let friends convince you to do something that will get you hurt.
- Be helpful to one another. Don't forget to check on your friends that are just learning.
- Be courteous to fellow skiers and staff. We always want to leave the hill with a strong reputation.
- Keep track of your ski gear. Always pick up after yourself.
- All ski hill rules and school rules must be followed.
- If you need a staff member during the trip, wait at the chairlift.
- Be very attentive to instructions. Arrive at rendez-vous points on time.

IMPORTANT THINGS TO NOTE FOR NEW SKIERS

- There are lessons at Edelweiss this year. They are quick and easy
- Watch some tutorial videos before Friday. Use the QR code for my favourite beginner ski video. It's 17 min and will make a big difference.
- Begin on their Magic Carpet before you go on a lift.
- Don't get discouraged.
- When you're comfortable, head to the lift and try the green trails.
- Take short breaks when needed. Don't push yourself too hard, but also don't give up.
