Reminder for Grades 8, 9 and 10 students – OPTION SHEETS

The deadline for students to get their parent-signed Elective Option Sheets to the Main Office is by next **Friday, April 28th** PD Day. Remember that since all electives are date and time stamped when they are handed in, it is always better to hand them in **as soon as possible**, to help guarantee that you get your first choice option. Students who would like to apply to specialty programs such as Carpentry or Welding, must also hand in their Application Packages at the same time as their Option Sheet. Note that extra copies of Option Sheets and Application packages are available at the table under the dragon outside Room 214.

Grade 7s – Please note that your Option Sheet presentations will be coming in mid-May.
